Sunday Drive

Ladyhawke

Honey, want to see
What you, what you can be
You, you make it easy
For me to want to know you
I can't pretend to hate you
Cause I will always love you
And when you try to leave me
I wanna say
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
Wait, to the end
Who will you defend?
See what I can do
With this life
That was made for two
I can't pretend to hate you
Cause I will always love you
And when you try to leave me
I wanna say
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
I can't pretend to hate you
Cause I will always love you

And when you try to leave me
I wanna say
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday drive
