## Quicksilver Messenger Service

Do you love her?
Yes, does she suddenly make everything brighter?
Yes, do you love her? Hey, hey hey hey
Yes, does she have just what it takes to pull you through?
She's the kind of girl, makes you wanna hold things tight
To get yourself together, and do things right
She's the kind of girl, yes, makes you wanna think twice
To get yourself a home, and make things rightHoly Moly
Has anybody out there got a way to stop this girl somehow?
Yes, holy moly, yeah yeah yeah yeah
Has anybody out there got some way to stop this girl right now?
Yes you've got to stop her 'cause I'm gettin' this old feelin'
Looks like I'm setting myself up for a dealing
Yes, you've got to stop her 'cause I recognize this old feelin'
Looks like I'm setting myself, up for a dealingAny questions?
Well c'mon now, don't be shy, just direct them right at me, yeah
Any suggestions? Yeah, yeah
Ah, somebody out there got some better place for me to be, yeah
Yes there is no place in this whole wide world
That's not made just right by that girlYes, and there is nothing here that I would rather do
Then spend my whole life, loving you
Well holy moly baby, holy moly
Has anybody out there got a way to stop this girl somehow?
