

Walk Away (12" Version)

Donna Summer

Just another emotion
Is this something more
If it's only a passionate phase
I'd rather just close the door Turn away, turn away, turn away
Walk away, walk away, walk away Walk away when you know that I need you
Don't walk away when you hear me call you
Don't walk away, don't you see that I want you
Here by my side? Walk away when you know that I need you
Don't walk away when you see me callin'
Don't walk away when you know that I need you
Here by my side I'm sure that I'll get over you
It'll take me a while you see
Next time, there won't be no next time
Save all my feelings for me Turn away, turn away, turn away
Walk away, walk away, walk away Walk away when you see that I need you
Don't walk away, can't you hear me callin'?
Don't walk away, don't you know that I need you
Here by my side? Walk away when you see that I need you
Don't walk away, can't you hear me callin'?
Don't walk away, don't you know that I want you
Here by my side? Turn away, walk away, turn away
Walk away, walk away, walk away Walk away when you know that I need you
Don't walk away when you hear me call you
Walk away when you know that I want you
Here by my side Walk away, listen to me Mister
Don't walk away, can't you see that I love you
Walk away, don't you know that I need you
Here by my side?
