Labels Or Love

Fergie

Shopping for labels, shopping for love
Manolo and Louis, it?s all I?m thinking of
Shopping for labels, shopping for love
Manolo and Louis, it?s all I?m thinking of
I already know what my addiction is
I be looking for labels, I ain?t looking for love
I shop for purses while I walks out the door
Don?t cry, buy a bag and get over it
And I?m not concerned with all the politics
It?s a lot of men, I know I could find another
All I know is that I?m always happy
When I walk out the store, store
I guess I'm supercalifragisexy
Nothing to be playing with
I love him, hate him, kiss him, diss him
Tryna to walk a mile in my kicks
Love?s like a runway but which one do I love more?
No emotional baggage just big bags filled with Dior
Love?s like a runway so what?s all the fussing for?
Let?s stop chasing those boys and shop some more
I know I might come off as negative
I be looking for labels, I ain?t looking for love
But relationships are often so hard to tame
And Prada dresses never broken my heart before
And ballin?s something that I?m fed up with
I?ma do the damn thing, watch me do the damn thing
'Cause I know that my credit card
Will help me put out the flames, flames
I guess I'm supercalifragisexy
Nothing to be playing with
I love him, hate him, kiss him, diss him
Tryna to walk a mile in my kicks
Love?s like a runway but which one do I love more?
No emotional baggage just big bags filled with Dior
Love?s like a runway so what?s all the fussing for?
Let?s stop chasing those boys and shop some more
Gucci, Fendi, Prada purses, purchasing them finer things
Men they come a dime a dozen, just give me them diamond rings
I?m into a lotta bling, Cadallic, Chanel and Coach

Fellas boast but they can?t really handle my female approach
Buying things is hard to say, rocking Christian Audigier
Manolo or Polo, taking photos in my Cartier
So we can?t go all the way, I know you might hate it but
I?ma shop for labels while them ladies lay and wait for love
Love?s like a runway but which one do I love more?
No emotional baggage just big bags filled with Dior
Love?s like a runway so what?s all the fussing for?
Let?s stop chasing those boys and shop some more
Shopping for labels, shopping for love
Manolo and Louis, it?s all I?m thinking of
Shopping for labels, shopping for love
Manolo and Louis, it?s all I?m thinking of
