

La Rivalita

The Audition

Am I the one you see in your so-called nightmares?

Wake up and dance, dance to the beat of the drama

Since beggars can't be choosers, I'll play the victim while you play the fool

This one goes out on, this one goes out on popular demand
So hit me back, here's another track you can count on
losing

So take that, here's our plan of attack so count on bruising
We are the ones you've named the, the unaccepted?

Wake up and dance, dance to the beat of the drama

Since liars can be bruisers, you'll play the victim while we play the fool

Tonight, this one's going out on yourself because of popular demand
So hit me back, here's another track you
can count on losing

So take that, here's our plan of attack so count on bruising
So hit me back, here's another track you can count on
losing

So take that, here's our plan of attack so count on bruising
So hit me back, here's another track you can count on
losing

So take that, here's our plan of attack so count on bruising
So hit me back, here's another track you can count on
losing

So take that, here's our plan of attack so count on bruising
So hit me back, here's another track you can count on
losing

So take that, here's our plan of attack so count on bruising
