Mele Kalikimaka

Chris Isaak

Mele Kalikimaka is the thing we say
On a bright Hawaiian Christmas Day
That's the island greeting that we send to you
From the land where palm trees swayHere we know that Christmas will be green and bright
Sun that shines all day with all those stars at night
Mele Kalikimaka is the thing we say
On a bright Hawaiian Christmas DayMele Kalikimaka is the thing we say
On a bright Hawaiian Christmas Day
That's the island greeting that we send to you
From the land where palm trees swayHere we know that Christmas will be green and bright
Sun that shines all day with all those stars at night
Mele Kalikimaka is the thing we say
On a bright Hawaiian Christmas
A very Merry Christmas
A very Merry Christmas to you
