Carnivore

Carnivore

Greetings and felicitations
Children of technologyDrool dripping out, my tongue hanging south
Saliva flowing free
My eyes full of lust, my balls gonna bust
You'll give yourself to meThirst I can't quench, c'mere you wench
There's something that I needCarnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
CarnivoreThe hunger I feel makes you a meal
Oh girl, you sure taste sweet
By my hair pull me there
Oh, guide me to your treatSpread your legs, I'll seed your eggs
Oh, feel me deepCarnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore, oh, I'd love to eat yaOh, I'm going down
Dive, diveOh, come onLick me she begged, she pulled down my head
I'd love to eat pussy
A taste so fine like sweet April wine
I won't trade for any moneyDid you come?
I eat and run, I live for sodomyCarnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
CarnivoreCarnivore, I'm a meat eater
Carnivore, I'd like to meet ya
Carnivore, I know I'll reach ya
Carnivore, oh, I'd love to eat ya
