

# Miss Your Touch

Cassie

I don't know why you go? 'Cause I miss your touch at night  
I don't know why you go? 'Cause I miss your touch at night  
You are the reason why sometimes I can't sleep at night  
I really wanna hold you, tell you what I'm goin' through  
How you stay on my mind, oh, baby you love my time  
Don't know when things changed, baby, it's not the same  
I can't explain the way I need you, need you  
Boy, I know I feel it inside, yeah, yeah  
I'll do my best tonight to please you, please you  
But don't know why you go, baby, can we chill a little more?  
I don't know why you go? 'Cause I miss your touch at night

Don't know why you go, baby I don't know  
I don't know why you go? 'Cause I miss your touch at night  
So baby, can we chill tonight? Just chill tonight  
See I know you got your working situation  
But if you want me you'll make some time for us  
I know it's hard for you but I get anxious, baby  
Tired of being alone, don't know why you go?  
I don't know why you go? 'Cause I miss your touch at night  
Yeah, you know I miss your touch, baby, I don't know  
I don't know why you go? 'Cause I miss your touch at night  
So baby, can we chill tonight? Just chill tonight
