

Momma's Boy

Shiraz Lane

You love yourself yeah the whole world knows
but you better think this through
'Cause the problem is you're so full of it
I know the likes of you
I got news for you
you don't wanna hear
The world don't na na need you dear
Need you dear
no no

GO HOME

You hate our guts well there's no love lost
Lemme point you to the door
You're not the first won't be the last
I've seen this all before
You refuse to see you don't understand
Grow some spine show your hand
Time to show your hand

GO HOME MOMMA'S BOY!

Run to your mother
leave me alone

GO HOME MOMMA'S BOY!

Run to your mother
Lemme tell you something you won't understand
Lemme tell you if you can't step it up just
GO HOME MOMMA'S BOY!

Run to your mother
GO ON HOME
GO HOME

Your constant stream of bragging shows the truth behind that smile
Your cover's blown
real motives known
being modest not your style
Keep your distance son just stay away
No interest in those games you play
Games you play

GO HOME MOMMA'S BOY!

Run to your mother

leave me alone

GO HOME MOMMA'S BOY!

Run to your mother

Lemme tell you something you won't understand

Lemme tell you if you can't step it up just

GO HOME MOMMA'S BOY!

Run to your mother

GO ON...

(SOLO)

You better run

you better run

you better run...

GO HOME MOMMA'S BOY!

Run to your mother

leave me alone

GO HOME MOMMA'S BOY!

Run to your mother

GO HOME MOMMA'S BOY!

Run to your mother

leave me alone

GO HOME MOMMA'S BOY!

Run to your mother

Lemme tell you something you won't understand

Lemme tell you if you can't step it up just

GO HOME

GO HOME

GO HOME

GO ON HOME
