

# Albert Goes West

## Nick Cave & The Bad Seeds

Albert, he goes west  
He crosses the vast indifferent deserts of Arizona, oh yeah  
He had a psychotic episode on a dude ranch  
That involved a bottle of ammoniaHenry, he went south and lost his way  
Deep in the weeping forests of Le Vulva  
He grew so wan, he grew so sick  
He ended up in a bungalow sucking a revolverEven the light up on your rainy streets offers many reflections  
I wont be held responsible for my actionsBobby, he goes north then he goes east  
Then over to New Hampshire  
Bobby is a cautious man  
He walked into a Concord dive to drink a beerDo you wanna dance?  
Yeah, do you wanna move?  
Yeah, do you wanna dance?  
Do you wanna groove?I said this world is full of endless abstractions  
I wont be held responsible for my actionsMe, I aint going anywhere  
Just sit and watch the sun come up, I like it here, oh yeah  
I watch the people go ticking past  
Go hey, hey, hey, you know, I gotta say I like it hereAlright  
Sha, la, la, la, sha, la, la, la  
Sha, la, la, la, la, la, la, la, la, la  
Sha, la, la, la, sha, la, la, la  
Sha, la, la  
Sha, la, la, la, la, la, la, la, la, la  
Sha, la, la, la, sha, la, la, la  
Sha, la, la, la, la, la, la, la, la, la
