diabolicsickofitalII will never walk aloneLucifer's your only friend
We warned you over and over
Ariman creates the end
So we defend our soulsLucifer's your only friend
We warned you over and over
Ariman creates the end
So we defend our souls
Satan's coming after you
We warned you over and over
Demons will just take control
So we defend our souls
Evilness is spreading fast
We warned you over and over
They even gonna hurt you more
So we defend our souls
