Spiritual Dictator

Gamma Ray

Master of delusions, he's sowing seeds of hate
Burning Sermons, evil thoughts he's bound to seal our fate
Human minds infected by hypnotizing words
Foretelling lies, catastrophes, it's time for our rebirthSuffering from pain to clean up your karma
Following the path of no return
Blackening your soul, for swearing your freedom
Killing your hope for living life in peaceEvil Messiah, the world's set on fire
He promised salvation, but sent you hell
Almighty liar, satanic desire
Eternal damnation comes after your fallSpiritual dictator, a murderer in white
Illuminated living God, the reaper with the scythe
A deadly operation, a mass destruction curse
Effective high tech armory a raging storm unfurlsSuffering from pain to clean up your karma
Following the path of no return
Blackening your soul, for swearing your freedom
Killing your hope for living life in peaceEvil Messiah, the world's set on fire
He promised salvation, but sent you hell
Almighty liar, satanic desire
Eternal damnation comes after your fall, after your fallYou pay for your salvation, enlightment within
Renouncing the material world your agony begins
Completely isolated, from the outside world
Fellowship will make you you all, immortal in reverseSuffering from pain to clean up your karma
Following the path of no return
Blackening your soul, for swearing your freedom
Shattering your hope for living life in peaceEvil Messiah, the world's set on fire
He promised salvation, but sent you hell
Almighty liar, satanic desire
A heart full of anger for no one to seeEvil Messiah, eternal damnation comes after your fall
