

# Insecurities

## Mr FijiWiji

Held back by walls of security, that  
I just could never see, held people at arms length  
    devoid of human contact  
    Cannot express emotion  
    I try with all my strength  
    What is the matter with me?  
    It seems that no one even cares  
    I'm blinded by my innocence  
    will no one be there for me?  
    When I dont understand.  
    Covered in blankets of Imagination  
    Where I can talk to people without a  
        second thought  
    What if they're laughing at me  
    I know I'm not good enough  
        so I won't even try.....  
    God only knows what'll keep us from dying  
    because everytime I look around I see Life as a big lie  
    Yeah everybody's saying "yeah I'm the one" yeah  
        "everybody came running to me"  
    But thats not how it works and it never did  
        you know I'm sorry it had to be this way  
        things got fucked up but thats okay....  
        ...I'm sorry....  
        ...I'm sorry....
