In Your Hands

Nils Lofgren

Amazing grace in the mystery of our dance
A starling beauty in the ...?... of your glance
A dearing birth of new hope in your eyes
Your fingers trace my face and I cry
Now I know, you've got baby this time you ...?...
And it's a low and a blessing from above
A ...?..., as they blossom in your hands
...?., and wait my turn, smile and understand
In your hands, I'm alright
In your hands, I saw the light
As a fire in my belly that won't stop
Holy water in your hands when I drop
Babe your touch and ...?... that don't quit
Heaven could'nt have enough of it
In your hands, I'm alright
In your hands, I saw the light
In your hands, I'm alright
In your hands, I saw the light
