Time Isn't Kind

Fine Young Cannibals

Got this place
,So called "home."
When I'm there, it's on my own.
Had someone, she used to stay
, but I was cruel, and I drove her away
Time isn't kind, it lets you down all the while, time isn't kind, it leaves you so dissatisfied
Couldn't get along, with people I've known, I changed my name, I changed my clothes, but these
Time isn't kind, it lets you down all the while, time isn't kind. It leaves you so dissatisfied...
Here I go
, down again
, lost my love, all my friends.
No more flat, no more debts, all I got now, all I got is myself..
Time isn't kind, it lets you down all the while, time isn't kind, it leaves you so unsatisfied
Time, oh time, time isn't kind
