Tonight's the Night (Gonna Be Alright)

Rod Stewart

Stay away from my window
Stay away from my back door too
Disconnect the telephone line
Relax baby and draw that blindKick off your shoes and sit right down
Loosen off that pretty French gown
Let me pour you a good long drink
Ooh baby don't you hesitate causeTonight's the night
It's gonna be alright
'Cause I love you girl
Ain't nobody gonna stop us nowCome on angel my hearts on fire
Don't deny your man's desire
You'd be a fool to stop this tide
Spread your wings and let me come insideTonight's the night
It's gonna be alright
'Cause I love you girl
Ain't nobody gonna stop us nowDon't say a word my virgin child
Just let your inhibitions run wild
The secret is about to unfold
Upstairs before the night's too oldTonight's the night
It's gonna be alright
'Cause I love you woman
Ain't nobody gonna stop us now
