I'll String Along With You

Clifford Brown

All my life I've waited for an angel
But no angel ever came along
Then one happy afternoon I met you
And my heart began to sing a song
Somehow, I mistook you for an angel
But now I'm glad that I was wrongYou may not be an angel
'Cause angels are so few
But until the day that one comes along
I'll string along with youI'm looking for an angel
To sing my love song to
And until the day that one comes along
I'll sing my song to youFor every little fault that you have
Say, I've got three or fourThe human little faults that you do have
Just make me love you moreYou may not be an angel
But still I'm sure you'll doSo until the day that one comes along
I'll string along with youFor every little fault that you have
Say, I've got three or fourThe human little faults you do have,
Just make me love you moreBecause you're such an angel
That's why I'm sure you'll do
So until the day that one comes along
I know just what I'll doI'll string along with you
