Victory Belong to Us

Samsong

Who is the King of the fight
Who is the fourth men in the fire
Who gives the victory
Who is the King of glory

Chorus
The horse is prepared against the day of battle
The watchman watch but they watch in vain
The builders build the walls to defend the city
But victory belongs to us

Who dies and rose again
Who hold the key of life and death
Who speaks a word and comes to pass
Who breaks every chain

Power
Dominion
Authority
All belong to God
