Toothpaste 2000

I'm a fountain of blood
In the shape of a girl
You're the bird on the brim
Hypnotized by the whirlDrink me, make me feel real
Wet your beak in the stream
Game we're playing is life
Love's a two way dreamLeave me, now, return tonight
Tide will show you some way
If you forget my name, you will go astray
Like a killer whale trapped in a bayI'm a path of cinders
Burning under your feet
You're the one who walks me
I'm your one way streetI'm a whisper in water
Secret for you to hear
You are the one who grows distant
When I beckon you nearLeave me, now, return tonight
The tide will show you some way
If you forget my name, you will go astray
Like a killer whale trapped in a bayI'm a tree that grows hearts
One for each that you take
You're the intruder's hand
I'm the branch that you break, yeah
