Walk Through This World With Me

George Jones

Walk through this wor...ld with me
Go. where i go
Share all the dream with me
I need you so
In life we search and some always find
I've looked for you..... a long long time
and now that i found you
New horizons i see
Come take my hand and walk through this world with me

Walk through this world with me
Go where i go
Share all the dream with me
I've searched for you so
And now that ive found you new horizons i see
Come take my hand and walk through this world with me
