

# Through The Looking Glass

## Sleepwave

Flat on my back, you watch me dry out my lungs  
Remembering the days when I collected the sun  
Isn't this all just, a part of the process?  
And isn't this just a part of it?  
Watch me fall underneath what you believe!  
I couldn't save you, I couldn't save you,  
from killing me!  
Untie my hands so I can drink from your cup  
I'm out of demands, if I could just stand up  
Isn't this all just, a part of my process?  
Isn't this all just a part of it?  
Watch me fall underneath what you believe!  
I couldn't save you, I couldn't save you,  
you're killing me!  
You're killing me!  
Stared you in the eyes through the shadow of death.  
I prayed with all the sinners and I've felt no regrets.  
Stared you in the eyes through the shadow of death.  
Stared you in the eyes through the shadow of death.  
Swimming in water..  
Swallowing all the words..  
Watch me fall underneath what you believe!  
I couldn't save you, I couldn't save you,  
you're killing me!  
Watch me fall underneath what you believe!  
I couldn't save you, I couldn't save you,  
from killing me!  
I cannot sink here anymore,  
I have to head straight for the shore,  
I will believe!
