

Place Of Worship

Marvin Sapp

Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place
Every tear you cried is water for
The garden of your victory
And even though you're in the valley,
Victory comes through your adversity
Go find your place of worship
Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place and
Every tear you cried is water for
The garden of your victory

(x3)

And even though you're in the valley,
Victory comes through your adversity
Go find your place of worship
Worship, I found my mine
Now I can say: Holy, Holy
Holy is the Lamb

(x7)

Righteous
Righteous is the Lamb
He's lovely, lovely, lovely, lovely, lovely, my God is lovely,
Lovely is the Lamb
