Face Of God

Him

I'm drained but aching for more
And the Devil inside is reading
The words of the saddest poem
To be engraved on the stone of my grave
I'd kill to share your pain
(And carry the shame)
And sell my soul
For you just to say
I dream what you're dreaming
And feel what you're feeling
Love's our shadow on the wall
With the face of God
Nothing will be enough
For the ones who keep on stumbling
In the garden of withering trust
Without the courage to leave
Oh, I'd take my life for your kiss
(Grant me my wish)
And lose it all
To take you across the abyss
I dream what you're dreaming
And feel what you're feeling
Love's our shadow on the wall
With the face of God
You dream what I'm dreaming
And see what I'm seeing
Love's our shadow on the wall
With the face of God
Labrynth in a shape of a heart
Love's secret architecture
I find myself to be lost
In the arms of your fate
I'd kill to share you pain
(And carry the shame)
And sell my soul
For you just to say
Love's name in vein
Again and again
I dream what you're dreaming

And feel what you're feeling
Love's our shadow on the wall
With the face of God
You dream what I'm dreaming
And see what I'm seeing
Love's our shadow on the wall
With the face of God
Love's our shadow on the wall
With the face of
(Face of)
The face of God
(Face of)
Face of God
