

# I Got A Girl

Lou Bega

Six, seven, eight, nine, ten  
Lou Bega on a trip, would you all come in?  
With a little bit of this and a little bit of that  
You can get what you see, you can see what you get  
And I bet that you all a little bit excited  
If you need a autograph, honey, I can write it  
I got girls worldwide on the planet  
Some called Whitney and some called Janet I gotta girl in Paris, I gotta girl in Rome  
I even gotta girl in Vatican Dome  
I gotta girl right here, I gotta girl right there  
And I gotta girlfriend everywhere  
I gotta girl on the Moon, I gotta girl on Mars  
I even gotta girl that likes to dance in the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere From Miami Beach to Beluga Bay  
From the Milky Way to East L.A.  
From St. Tropez to my home cafe  
Thats my way and I do it like day by day  
In Africa, America, Europe and Australia  
Asia, Canada, I take them all an' marry her  
India, Arabia to the girls of Germany  
All around the planet, you can be my fantasy I gotta girl in Paris, I gotta girl in Rome  
I even gotta girl in Vatican Dome  
I gotta girl right here, I gotta girl right there  
And I gotta girlfriend everywhere  
I gotta girl on the Moon, I gotta girl on Mars  
I even gotta girl that likes to dance in the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere You and me, no matter where you from baby  
No matter where you from baby, baby only you and me  
You and me, no matter where you from baby  
No matter where you from baby, baby only you and me I gotta girl in Paris, I gotta girl in Rome  
I even gotta girl in Vatican Dome  
I gotta girl right here, I gotta girl right there  
And I gotta girlfriend everywhere  
I gotta girl on the Moon, I gotta girl on Mars  
I even gotta girl that likes to dance in the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere

I gotta girl in Paris, I gotta girl in Rome  
I even gotta girl in Vatican Dome  
I gotta girl right here, I gotta girl right there  
And I gotta girlfriend everywhere  
And I gotta girlfriend everywhere  
And I gotta girlfriend everywhere
