

Today I Started Loving You Again

[Martina McBride](#)

Today I started loving you again
And I'm right back where I've really always been
I got over you just long enough to let my heartache mend
And today I started loving you again What a fool I was to think I could get by
With only these few million tears I've cried
I should have known the worst was yet to come
And the crying time for me had just begun 'Cause today I started loving you again
And I'm right back where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again I got over you just long enough to let my heartache mend
Then today I started loving you again
Oh, today I started loving you again
