

# Waiting for the Flowers to Bloom

## Viddiot

I planted a seed  
It was sometime in June  
I remember walking in the rain  
I was walking with you  
Through an ocean of stars  
You were staring up at the moon  
You're love is like a secret garden  
I'm still waiting for the flowers to bloom.

Sometimes I move too fast  
Some days I'm much too slow  
Sometimes you break my heart  
Some day I'll let you know  
Sometimes our hearts catch fire  
re-entry I'm burning up for you  
Sometimes we're so far apart  
Your smile can light up the room...

I planted a seed  
It was early June  
I was down by the sea in the rain  
I was dreaming of you  
Your eyes filled my heart with light  
Your gentle touch healed my wounds  
But your love is like a secret garden  
And I'm still waiting for the flowers to bloom.

I can still see your face in my dreams  
I still see your face in my dreams  
...so I dream...
