

You Lifted Me Out

[Chris Tomlin](#)

You turned my way, You heard my cry
You turned my mourning into shouting
Sorrow may last for a night
But with the light, I am seeing, I am singing You lifted me out, You lifted me out
And set me dancing, dancing
Free, now I am free, Your love rescued me
Now it's the anthem I'm singing Many will see, many will hear
And find You strong enough to say
Many the wonders You have done
Your light has come, and I am singing, I am singing You lifted me out, You lifted me out
And set me dancing, dancing
Free, now I am free, Your love rescued me
Now it's the anthem I'm singing Lost is where You found me
Shattered and frail but You love me still
Trouble may surround me
My heart may fail but You never will
You never will You lifted me out, You lifted me out
And set me dancing, dancing
Free, now I am free, Your love rescued me
Now it's the anthem I'm singing
