

Spectrelight (Ft. Scott Kelly)

Mastodon

We trip the light
Firebird flies
Burn your inside
Given a lesson
The path I've shown
Follow all I know Into the Spectrelight
Into the afterlife It came from the ocean
Gift from the sea
Lava forms the stone
Belief in power
Believe the dream
Trust your own truth Into the Spectrelight
Into the afterlife You listen through the light
Tolling on the sea
Barren eyes behind you
Leave the shadows waking dreams Rising through the door
Writing with a knife
Cut speech
Cut light
Cut chord and break the dawning wretch of silence Trust your own truth
Souls of the fallen
Death of the Godhead
Listen and breathe Into the Spectrelight
Into the afterlife
