

Touch

Earth, Wind & Fire

You're shining like the Northern Lights
I hold you like a butterfly
Without you it's a cold world
Give in to love and rescue me All that I need is to get close
Both of us know we don't have to wait
It's getting late Let's touch, touch
We can steal the night
I need your touch, touch
In the morning light
Why don't we touch, touch
Now the feeling's right
I'll be there 'cause you know that
I believe
In your touch, touch
We can steal the night
I need your touch, touch
In the morning light
Why don't we touch, touch
Now the feeling's right
I'll be there 'cause you know that
I believe In your touch, touch
We can steal the night
I need your touch, touch,
In the morning light
Why don't we touch, touch
Now the feeling's right
Our bodies become one We've waited such a long time
To catch a glimpse of paradise
The secrets that we keep inside
Are feelings we should never hide Open our minds, open our eyes
Both of us know we don't have to wait
It's getting late CHORUS And when I reach for you
You better let me through
I'm giving good advice
I'm gonna give it to you
Why don't we both give in to love I wanna comfort you
I wanna pull you through
I'll make you close your eyes
Get you in the mood

Why don't we both give in to love
