

Cold (Single Version)

Allure of Souls

Time is like a teardrop in my hand
Under the veil of your command
I am falling

Love is like the breath within your voice
With all the sorrow and the joy
I hear you calling

I will be waiting for you in the night

Cold
I feel cold
When youâ€™re not here to share the love
That burns in my soul

Cold
I feel cold
Like the Sahara in the snow
I feel cold

A kiss like a storm that fills the sky
Like the truth within a lie
Living, dying

Alone the wind is cool across my face
I feel the touch but cannot taste
I am crying

Soon Iâ€™ll be coming for you in the night

Cold
I feel cold
When youâ€™re not here to share the love
That burns in my soul

Cold
I feel cold
Like the Sahara in the snow
I feel cold

Cold
I feel cold
Like the Sahara in the snow
I feel cold

So cold
So cold
So cold
So cold
Cold
