## The Mars Volta

Close the doors  
If you want to see her breathing again  
Blur the days  
Sleeping is just not an option

How come every time I walk, you crawl?  
Then you cut out all the letters that make up this note

I won't, I won't give up until I find out  
Until I find what happened to you

The solution inhaled from the rag I hold  
Holds a maximum vacancy  
As I held you in crippled bandages  
Don't you stay up and wait for me

Left dangling in the wind

You're not there  
I poke needles in the neck of a doll  
She pokes back  
Asking why can't I just let her lie

How come every time I walk, you crawl?  
Then you cut out all the letters that make up this note

I won't, I won't give up until I find out  
Until I find what happened to you

The solution inhaled from the rag I hold  
Holds a maximum vacancy  
As I hold you in crippled bandages  
Don't you stay up and wait for me

Left dangling in the wind

Don't let the days escape  
What I did brings more of them  
And we'll be waiting just for them

[Repeat: x2]  
Over my dead body  
Over the search they lead  
They won't find them anymore

[Repeat: x2]  
The solution inhaled from the rag I hold  
Holds a maximum vacancy  
As I hold you in crippled bandages  
Don't you stay up and wait for me

Left dangling in the wind
