

# Insane

## Scars on Broadway

So many ways to hide  
I see the trouble deep insideLet's go insane again  
Bring back the pain again  
Let's go insane again  
Bring back the pain againRun, run baby run  
You'll see the things to overcomeLet's go insane again  
Bring back the pain again  
Let's go insane again  
Bring back the pain againDream, dream your broken dream  
You'll see the things I never seeLet's go insane again  
Bring back the pain again  
Let's go insane again  
Bring back the pain againLet's go insane again  
Bring back the pain again  
Let's go insane again  
Bring back the pain again
