Careless Hands(Nick jensen2)

The Coral

Don't put your heart in careless hands
Those careless hands they don't understand
Sugar and spice and all things nice
You won't think twice about sacrificeYou'll put your heart in careless hands
Those careless hands they don't understand
They lift you up and they'll put you down
Have you running around this one horse townThose careless hands
Won't understand
Those careless handsDon't warm your hands in his cold heart
'cause his cold heart won't play that part
Choice was yours to hesitate
Threw his line and you took the bait
