

The Alley Cat Song

Bobby Rydell

The Alley Cat SongWords by Jack Harlen and Music by Frank Bjorn

Despite the title of the LP, the instrumental version by Bent Fabric charted at # 7 in the late summer of 1962. Danish title is "Omkring et Flygel" (Around the Piano)He goes on the prowl each night

Like an alley cat

Looking for some new delight

Like an alley catShe can't trust him out of sight

There's no doubt of that

He just don't know wrong from right

Like an alley cat

He meets them

And loves them

And leaves them

Like that "Catsanova" doesThat's no way to treat a pal

She should tell him "Scat!"

Aren't you sorry for that gal

And her alley cat?He meets them

And loves them

And leaves them

Like that "Catsanova" does

He don't know what faithful means

There's no doubt of that

He's too busy makin' scenes

Like an alley catAnd that's the sad, sad tale of a lonesome quail

And her alley cat.
