

# Grace Under Pressure

## Elbow

Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down
