

Dan Abnormal

Blur

Meanie Leanie come on down
Come and entertain the town
It's friday night and we're all bored
Time's been called there is no more
Time's been called it's such a bore Dan Abnormal not normal at all
It's not his fault we made him this way
He'll imitate you try to ape you
But it's not his fault Dan watches T.V. The meanie Leanie stays up late
Mopes around gets in a state
He the killer in your arcade
Killing gangstas ready made
Cause that is where the future's made Tele port me Dan went to his local burger bar
I want McNormal and chips
Or I'll blow you to bits
Give us it It's the miseries at half past three
Watching video nasties
He has dirty dreams while he's asleep
Dan's just like you and me
He's the Meanie Leanie Dan Abnormal not normal at all
It's not his fault we made him this way
He'll imitate you try to ape you
But it's not his fault Dan Abnormal's me
