

Easy Come, Easy Go

George Strait

Says she's had enough of me
I've had enough of her, too
I might as well go on and set her free
She's already turned me loose No fault, no blame, nobody done no wrong
That's just the way it sometimes goes
Sometimes two people just don't get along
And it's time to hit the road Goodbye, farewell, so long
Vaya con Dios
Good luck, wish you well, take it slow
Easy come, girl, easy go We tried to work it out a hundred times
Ninety-nine, it didn't work
I think it's best we put it all behind
Before we wind up gettin' hurt No hard feelings, darlin', no regrets
No tears and no broken hearts
Call it quits, callin' off all bets
It just wasn't in the cards Goodbye, farewell, so long
Vaya con Dios
Good luck, wish you well, take it slow
Easy come, girl, easy go Easy come, girl, easy go
Vaya con Dios, good luck
Easy come
Easy go
