Meaningful Life

Cold Cave

some people lead very meaningful lives
dedicated, devoted, husbands and wives
some people lead very meaningful lives
i like to think of the tree
in your rhode island yard
that bloomed and was prettysome people lead very meaningless lives
dedicated to nothing, slaves to time
some people lead very meaningless lives
and maybe now you're wondering how long
it has been since you have crossed my mind
i want to lead a very meaningful life
