

# Love Thing

**Tanya Tucker**

It's kind of gentle and easy  
Something to do with the heart  
A sweet song crying way down deep  
You've got to play it, baby, no way to say it  
It's a love thing, it's got no name  
It's just a feeling inside  
It's a full moon, a summer rain  
And when I'm holding you tight  
It's a love thing, it's a love thing  
It isn't something to hurry  
It takes a step at a time  
And when it comes sneaking up on you  
You don't regret it, baby, it's copacetic  
It's a love thing, it's got no name  
It's just a feeling inside  
It's a full moon, a summer rain  
And when I'm holding you tight  
It's a love thing, it's a love thing, oh yeah  
So when it comes sneaking up on you  
Go on and let it, baby, you won't regret it  
It's a love thing, it's got no name  
It's just a feeling inside  
It's a full moon, a summer rain  
And when I'm holding you tight  
It's a love thing, it's a love thing, oh yeah  
It's a love thing, it's a love thing, oh yeah  
Alright, oh yeah
