All people feel
All people have vision
No matter your colour
You are family to me Now put this all together
This is community
Even the other side of the planet
Is the other side of me
Are you here for me?
Well I'm here for you
And are you here for me? Murderer! Nick a wallet
Murderer! You pour the water
Murderer! Nick a wallet
Murderer! Corporate! Murderer! Get up offa the ground Now
See fucking with you is fantastic, now
Get off of the ground, now
Fucking me into a spastic-now! Some of the times I can find you in the melodies
And some of the times I find you (Inaudible)
But you were there, and I hear you, and I see
None of us is completely free!
Well, I'm here for you
And are you here for me? Murderer! Nick a wallet
Murderer! You pour the water
Murderer! Nick a wallet
Murderer! Corporate! Murderer! Not global villages-but one globe
Not ittybitty little villages of pity and learning how to survive in the 21st Century
And looking at World War Three
Because all humans seem to hate humanity Oh pity us! Suffer!
Can we make the next century?
This is your anthi-em
La-la com-pass-i-on
Look some plan-B-one
Don't pay no for nothin'
Are you the future-er?
Corporate through-a-yah!
Don't know what you want to do
Why shouldn't I care for you?
So young and dumb...sack of potatoes
You're imitating now the imitators now
You are the sid-a-neys---you'd sell our kid-a-neys

You are the Worldwide-web
Welcome to your i-Cloud Head!Murderer! Nick a wallet
Murderer! You pour the water
Murderer! Nick a wallet
Murderer! You pour a water
Corporate! Nick a wallet
Murderer! You pour the water
Murderer! You get the wallet
Murderer!This world you now live in-it is your own prison
It is the poison in your own soul-you made this all on your own!
You murderer!
Murderer!
