

When Can I See You Again?

Owl City

Switch on the sky and the stars glow for you
Go see the world 'cause it's all so brand new
Don't close your eyes
'Cause your futures ready to shine
It just a matter of time
Before we learn how to fly
Welcome to the rhythm of the night
There's something in the air you can't deny
It's been fun but now I've got to go
Life is way too short to take it slow
But before I go and hit the road
I gotta know, till then
When can we do this again ? (Oh oh oh)
When can I see you again? (Oh oh oh)
When can we do this again ? (Oh oh oh)
I gotta know
When can i see you again? (Oh oh oh)
Joined at the hip, yeah your sidekick needs you
Life is a trip and the road that leads you
Look all around at the mountains you haven't climbed
It's just a matter of time
Before we learn how to fly
Welcome to the rhythm of the night
There's something in the air you can't deny
It been fun but now I've got to go

Life is way too short to take it slow
But before I go and hit the road
I gotta know, till then
When can we do this again ? (Oh oh oh)
When can I see you again? (Oh oh oh)
When can we do this again ? (Oh oh oh)
I gotta know
When can i see you again? (Oh oh oh)
Don't close your eyes
'Cause your future ready to shine
It just a matter of time
Before we learn how to fly
Welcome to the rhythm of the night

There's something in the air you can't deny
So let me know before i wave goodbye
When can I see you again? (Oh oh oh)
When can we do this again ? (Oh oh oh)
When can I see you again? (Oh oh oh)
When can we do this again ? (Oh oh oh)
Yeah, it's been fun but now I've got to go
Life is way too short to take it slow
But but but before I go and hit the road
Tell me,
When can I see you again?
When can I see you again?
When can I see you again?
