

Single

Everything But the Girl

I called you from the hotel phone
I haven't dialed this code before
I'm sleeping later and waking later
I'm eating less and thinking more
And how am I without you?
Am I more myself or less myself?
I feel younger, louder
Like I don't always connect
Like I don't ever connect And do you like being single?
Do you want me back?
Do you want me back?
And do I like being single?
Am I coming back?
Am I coming back? I'll put my suitcase here for now
I'll turn the TV to the bed
But if no one calls and I don't speak all day
Do I disappear?
And look at me without you
I'm quite proud of myself
I feel reckless, clumsy
Like I'm making a mistake
A really big mistake And do you like being single?
Do you want me back?
Do you want me back?
And do I like being single?
Am I coming back?
Am I coming back?
Do you want me back? And now I know
Each time I go
I don't really know
What I'm thinking
And now I know
Each time I go
I don't really know

What I'm thinking of Do you want me back?
