

# The Time Of Our Lives

## Chawki

Seems like we're holdin' on forever  
I gotta let it go  
Time's up, you pushed me to surrender  
Tonight  
Who knows, what happens now, whatever  
Wherever the wind blows  
And I'm there as long as we're together  
Alright  
Let's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives  
Dreamers don't care if it's right  
I think I'm really into you  
Restless, let's leave it all behind  
Tonight  
Crazy, when you cross my mind  
Oh, the trouble we could get into  
So what, let's just give this a try

Alright  
Let's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives  
Holding back  
What are we waitin' for?  
Take that chance  
Now's all we've got for sure

Let's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives
