

Bad Girl

Siaosi

Some people think Iâ€™m crazy â€™cause â€™ the girl I love
Keep drivinâ€™ me all crazy, but â€™ they donâ€™t know us
She just want a man who understands â€™ her needs and wants
And what I need and want might differ sometimes
And lead to an argument, yo

Pre-Chorus:

Sometimes she love me, sometimes she donâ€™t
Ready to leave me but everybody know
Iâ€™m the only man she wants in her life
Sometimes she love me, sometimes she donâ€™t
But sheâ€™ll never leave me, this is foâ€™ shoâ€™
My woman never leave my side

Chorus:

(You know you a)

Bad girl, when you come around you do me
Bad girl, keepinâ€™ me arrested like an officer
Everybody knows youâ€™re a bad girl, bad girl
(â€™Cause she a)
Bad girl, when you come around you do me
Bad girl, keepinâ€™ me arrested like an officer
Everybody knows youâ€™re a bad girl, bad girl

Let me tell you why I love this woman, tell you why I love this girl

Tell you a few things about her

Few reasons why sheâ€™s perfect for me, because

- 1) She loves me
- 2) She loves me
- 3) She loves me
- 4) Sheâ€™s all I need

She givinâ€™ me energy, sent from above

Pre-Chorus:

Sometimes she love me, sometimes she donâ€™t
Ready to leave me but everybody know
Iâ€™m the only man she wants in her life
Sometimes she love me, sometimes she donâ€™t
But sheâ€™ll never leave me, this is foâ€™ shoâ€™

My woman never leave my side

Chorus:

(You know you a)

Bad girl, when you come around you do me
Bad girl, keepin'™ me arrested like an officer
Everybody knows you're a bad girl, bad girl
(~Cause she a)

Bad girl, when you come around you do me
Bad girl, keepin'™ me arrested like an officer
Everybody knows you're a bad girl, bad girl

My woman, my woman
So bad she needs attention
Give all of my affection
And make a grown man stand at attention
See my woman, my woman
You should see how she look, run it back, yeah
Make a grown man cry with the curved design
Hot damn, she's a dime

If you got a bad girl and you know it
Put your hands up and show it, yeah
Say, oh-o-o-o-o-o-oh (woah-o-o-o-o-o-o-oh)
If you got a bad girl and you know it
Put your hands up and show it, yeah

Chorus:

(You know you a)

Bad girl, when you come around you do me
Bad girl, keepin'™ me arrested like an officer
Everybody knows you're a bad girl, bad girl
(~Cause she a)

Bad girl, when you come around you do me
Bad girl, keepin'™ me arrested like an officer
Everybody knows you're a bad girl, bad girl
