

Willow (Single Version)

Joan Armatrading

I may not be your best
You know good ones don't come by the score
You've got something missing
I'll help you look, you can be sureAnd if you want to be alone
Someone to share a laugh
Whatever you want me to
All you got to do is askThunder don't go under the sheets
Lightning under a tree
In the rain and snow
I'll be your firesideCome running to me
When things get out of hand
Running to me
When it's more than you can standI said, "I'm strong, straight
Willing to be a shelter in a storm"
Your willow, oh willow
When the sun is outA fight with your best girl
Prettiest thing you ever saw
You know I'll listen
Try to get a message to herAnd if it's money you want
Or trouble halved
Whatever you want me to
All you got to do is askI said, "I'm strong, straight
Willing to be a shelter in a storm"
Your willow, oh willow
When the sun is outShelter in a storm
Your willow, oh willow
When the sun is outShelter in a storm
Your willow, oh willow
When the sun is outShelter in a storm
Your willow, oh willow
When the sun is out
