

# Tell Her

## Sons Of Zion

See when you love beautiful,  
You always have to let her know That you still want her  
That you still need her, yeah Your girl, she wants to be appreciated,  
You gotta show her day by day That you're fighting, you're trying  
To keep this love on the highway, yeah Don't let the fire burn out on your love, yeah Let her know she's the only  
one And tell her you want her (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her) Oh, tell her you love her  
Tell her you'll never leave her, no  
Just tell her you want her (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her) Oh, tell her you love her  
Tell her you'll never leave her, no Just tell her you want her, yeah Woah ... yeah, oh yeah When you're feeling  
like she's down and out and  
She doesn't wanna be around you Just give her her space, ooh  
Let her come back when she's ready Be the man that she can always talk to  
The arms that she can always run to Yeah and when times get tough  
Never give up on your love Don't let the fire burn out on your love, yeah Let her know she's the only one  
Don't forget to tell your baby (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her)  
Oh, tell her you love her  
Tell her you'll never leave her, no  
Just tell her you want her (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her)  
Oh, tell her you love her, yeah  
Tell her you'll never leave her, no  
Just tell her you want her, yeah  
Woah ... yeah, hey Don't let the fire burn out on your love, hey  
Just let her know she's the only one Hey (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her)  
Said tell her you love her, yeah  
Tell her you'll never leave her  
Just tell her you want her (Tell her, tell her you want her)  
Tell her you need her (Tell her you need her)  
Tell her you love her  
Tell her you'll never leave her, no  
Just tell her you want her (Tell her, tell her you want her)  
(Tell her you need her)  
Just tell her you want her (Tell her, tell her you want her)  
(Tell her you need her)  
Tell her you'll never leave her (Tell her, tell her you want her)

Kiss and hug her (Tell her you need her) always squeeze her  
Tell her you need her (Tell her, tell her you want her)  
(Tell her you need her)
