She's Gone

Ricochet

Look at her go, walkin' away
Smile on her face, its so good to see her
With her feet off the ground, head in the clouds
Look at her now, crazy, crazy in loveShe's gone right off the deep end
Long gone, her heart is beatin stronger
She's finally found the one
And she knows when they're together
She's closer to forever
Than she's ever been beforeAnd there's no way to stop that train she's on
She's goneCheck out her eyes, look at her grin
That must be him
I wonder if he knows how lucky he is
To be where he is, about to be kissed
There she goes and once she goesShe's gone right off the deep end
Long gone, her heart is beatin stronger
She's finally found the one
And she knows when they're together
She's closer to forever
Than she's ever been beforeAnd there's no way to stop that train she's on
She's gone, oh, she's goneThere's no way to stop that train she's onShe's gone right off the deep end
Long gone, her heart is beatin stronger, she is stronger
She knows when they're together
She's close, closer to foreverLook at her go, walkin' away
There's no way to stop that train, she's gone
It's so good to see a smile on her face
There's no way to stop that train, she's gone
(Shes gone)Long gone, stronger
There's no way to stop that train, she's gone
Hey baby baby
There's no way to stop that train
