

# Just A Minute

## Mustard Plug

just a minute at a time  
will you ever see it my way  
see it my way  
til we can see eye to eye  
will you ever take it all away  
take it all away  
i cant fake it  
and you wont try  
i cant leave until you  
find  
that we fall  
behind  
theres too much i cant keep in touch  
and thats why i still mind  
that we all  
should find  
another chance to really look  
and leave this all behind, all behind  
another time another line  
take it back until you find a way  
til you find a way  
that we need to recognize  
find a way now how to realize  
why we need to try
