This Will Make You Love Again

IAMX

When the joys of living just leave you cold
Frozen from the failing mess you've made your own
And if you want an ending to your screenplay life
Well, here's the consolation that will change your heart and mindAll the glitz Messiah's just pass the time
A cure for no real sickness, cross your hopes and die
Your supermarket Jesus comes with smiles and lies
Where justice he delays is always justice he deniesThis will make you love again
This will make you love again
This will make you love again
This will make you love againAnd now you save love again
To feel the rays love again
The sweet delays love again
To shoot the breezeEarly Thursday mornings wipe away the flies
The crossfire fight for action in between your thighs
Every touch is sacred when they leave the room
If I have to switch the lights off, I wanna switch them off with youThis will make you love again
This will make you love again
This will make you love again
This will make you love againAnd now you save love again
To feel the rays love again
The sweet delays love again
To shoot the breeze love again
