

# Worlds Apart

## Seven Lions

I keep reaching  
But you're not reaching back  
You're not reaching backTrying to get in, fight you through the cracks  
Trying to get in, fought you through the cracksI guess I'm trying to say  
It hurts to feel this far  
Million miles away  
Next to me, next to me you are  
Well if you're sitting right here  
Why are we worlds apart?  
Why are we worlds apart?If you're so near  
then why do you feel this far?  
Why are we worlds apart?Oh, we're not that different you know  
I play among the stars and then fall so low  
I try to make sense as I go'Cause nothing  
'Cause nothing  
'Cause nothing is in your soulWhy are we worlds apart?  
And why are we worlds apart?  
Why are we worlds apart?Why are we?  
Why are we worlds apart?  
Why are we worlds apart?Guess I'm trying to say  
It hurts to feel this far  
Million miles away  
Next to me, next to me you are  
And if you're sitting right here  
Why are we worlds apart?  
Why are we worlds apart?If you're so near  
Why do you feel this far?  
Why are we worlds apart?Why are we worlds apart?  
Why are we worlds apart?  
Why are we worlds apart?  
Why are we?  
Why are we worlds apart?  
Why are we worlds apart?
